2020 QUARTET PILOT RESEARCH PROJECT COMPETITION

The Pension Research Council and the Boettner Center, Center for Health Incentives and Behavioral Economics, the Population Aging Research Center, and the Population Studies Center invite faculty and researchers with an active appointment at Penn to submit pilot proposals focusing on population health, life-course and healthy aging in the following areas:

- New Dynamics of Population Diversity
- Human Resources and Endowments
- International Population Research
- Population and the Environment
- Big Data and Population Science
- Early-Life Conditions and Older Adult Health
- Economics and Financing of Health and Aging
- Global Health and Aging
- Health Disparities
- Human Development and Behavior
- Fertility and Reproductive Health
- Biodemography

Early career scholars are encouraged to apply:
